

### **Amendments to Conditions of Carriage**

Japan Airlines will change Carrier's Liability Limit set in our Conditions of Carriage, effective from 1<sup>st</sup> July 2010. This change is based on the re-amendments to Resolution 600b-Conditions of contract adopted by IATA Cargo Service Conference held in this March.

1. Effective date            1<sup>st</sup> July, 2010 (Based on AWB issuing date)

2. JAL's correspondence

Japan Airlines will reflect the amendment to our respective Conditions of Carriage as follows.

(a) Limitation of Carrier's liability on Conditions of Contract is established as 19SDR/kg except carriage under Warsaw Convention unamended by Montreal Protocol No.4 (liability limits is 250fgf/kg).

(b) We define Carrier's liability limit of 250fgf/kg set in Warsaw Conventions equal to 19SDR/kg in our Conditions of Contract.

3. Notice of JAL's Conditions of Carriage

Most updated Conditions of Carriage will be shown on JALCARGO website.
