To Our Valued Customers

Japan Airlines Co., Ltd.

**(Request) Submission of HS code and Chinese commodity name**  
**for all cargo to China via Shanghai (PVG/SHA)**

Thank you for your support and patronage of JALCARGO.

Regarding all cargo to China via Shanghai (PVG/SHA), we have been informed that "HS code (Harmonized Commodity Description and Coding System)" and "Chinese commodity name" must be submitted to Shanghai Customs.

We would appreciate your understanding and cooperation.

**1. Effective Date**

With immediate effect

**2. Applicable Cargo**

All cargo for China via Shanghai (PVG/SHA), including transport by truck

(At present, it is limited to WUX, NKG and SZV, but it is planned to expand to all regions in China.)

**3. Document Requirement :**

Please be sure to attach "Form for Transit Shipment via Shanghai" to the airway bills and submit it to us.

<Required items on "Form for Transit Shipment via Shanghai">

1) In the case of consolidated cargo : HAWB number/Chinese commodity name/No. of pieces/Weight /HS code 10 digits (world common code 6 digits + Chinese code 4 digits).

2) In the case of straight cargo : Chinese commodity name/No. of pieces/Weight/HS code 10 digits (world common code 6 digits + Chinese code 4 digits).

If we cannot get the correct information, there is a possibility that we cannot connect to scheduled flight or truck and delivery will be delayed. Your cooperation will be highly appreciated.

End
