

JAL Fuel Surcharge Scheme & Index

1. Fuel Surcharge

The JAL Fuel Surcharge is based on published fuel price statistics and distance flown.

2. Conditions for Application/Change/Discontinuation of Fuel Surcharge

JAL indices as shown on the next page cross the pre-determined levels for the fixed period (20 consecutive business days in the US), Japan Airlines will apply the corresponding Fuel Surcharge from the 1st or 16th day of the month. Japan Airlines reserves the right to apply different Fuel Surcharge amounts when required by local governments or local market conditions.

(Application)

In case the JAL index crosses Level 1 (35.00 USD/barrel for Singapore kerosene) continuously for the fixed period, Japan Airlines will apply the Fuel Surcharge for Level 1.

(Change)

As for increases in fuel price, in case JAL indices cross the upper level continuously for the fixed period, Japan Airlines will change the Fuel Surcharge to that of the upper level. As for decreases in fuel prices, in case fuel prices fall below the lower level continuously for the fixed period, Japan Airlines will change the Fuel Surcharge to that of the lower level.

(Discontinuation)

In case JAL indices fall below Level 0 (Less than 35.00 USD/barrel for Singapore kerosene) continuously for the fixed period, Japan Airlines will discontinue the Fuel Surcharge.

3. Collection of Fuel Surcharge, Misc.

- Fuel Surcharge will be applied on the date of issuance of all JAL AWBs.
- Fuel Surcharge will be applied to chargeable weight shown on the AWB.
- Fuel Surcharge is not applicable to Minimum Charge shipments.
- Add the Fuel Surcharge code "MY" and the applicable amount in the "Other Charges" field on the air waybill for the that charge. In addition, add the Fuel Surcharge amount along with "Total Other Charges Due Carrier" in the "Collect" or "Prepaid" box on the air waybill.
