INCREASE IN FUEL SURCHARGE FOR JAPAN AIRLINES EFFECTIVE May 16th, 2011

Thank you for your patronage of JAL Cargo. Japan Airlines will increase fuel surcharge for international air cargo on/after May 16th, 2011. Your understanding and cooperation are highly appreciated.

Details are as follows:

Revised Applicable Fuel Surcharge from the USA

Effective on **May 16th 2011**, the Fuel Surcharge will be **USD 1.10 per kg.**

*From Hawaii, it will remain at **USD 0.85 per kg.**

- Fuel surcharge will be applied when concerned government approval is obtained.
- Fuel Surcharge will be applied to chargeable weight shown on the AWB.
- Fuel Surcharge is not applicable to Minimum Charge shipments.
- Fuel Surcharge will be applied on the date of issue of all JAL AWBs.

For more detail, please see our website.
