

**Amendments to Conditions of Contract on AWB reverse side (Amendment of Carrier's liability limit)**

IATA Cargo Service Conference held in this March has adopted the re-amendments to Resolution 600b-Conditions of Contract.

1. Effective date            1<sup>st</sup> July, 2010 (Based on AWB issuing date)

2. Detail of amended IATA Resolution 600(b)

For carriage to which the Montreal Convention apply and for carriage to/from USA, carrier's liability limitation was set as 19SDR/kg in the previous amendment. This time, carrier's liability was unified as 19SDR/Kg for all carriage except carriage under Warsaw Convention unamended by Montreal Protocol No.4 (liability limit is 250fgf/kg)

For more information concerning this revision please contact your local JAL Cargo Handling office.
