

Changes in 2010 Summer Freighter Route and Flight Frequency Plan

Dear Valued Customers :

Thank you very much for supporting JALCARGO.

Further to our announcement of the suspension of freighter operations as of October 31, 2010, please be informed that services on certain routes and days will be suspended earlier than planned due to changes in the fleet plan.

We sincerely apologize to customers who will be affected by these changes, and would appreciate your kind understanding in this matter.
