

JAL International Award Ticket Chart <Standard Mileage / Round Trip>

- From April 1, 2015, JAL International Award Tickets for one-way travel will be available at half the mileage required for a round trip award ticket, provided that reservations are made by phone.
- Awards issued for children and infants require the same mileage as for adults.
- In addition to the required mileage for the awards listed below, fuel surcharges and other taxes will be collected.

Effective for mileage deducted from November 1, 2015, there will be changes to the required mileage for First Class and Business Class.

First Class and Business Class award tickets for flights that depart on limited days of the week will be available for fewer miles.

Required mileage (round trip via Japan)
