

# How to use JAL SKY Wi-Fi Pass

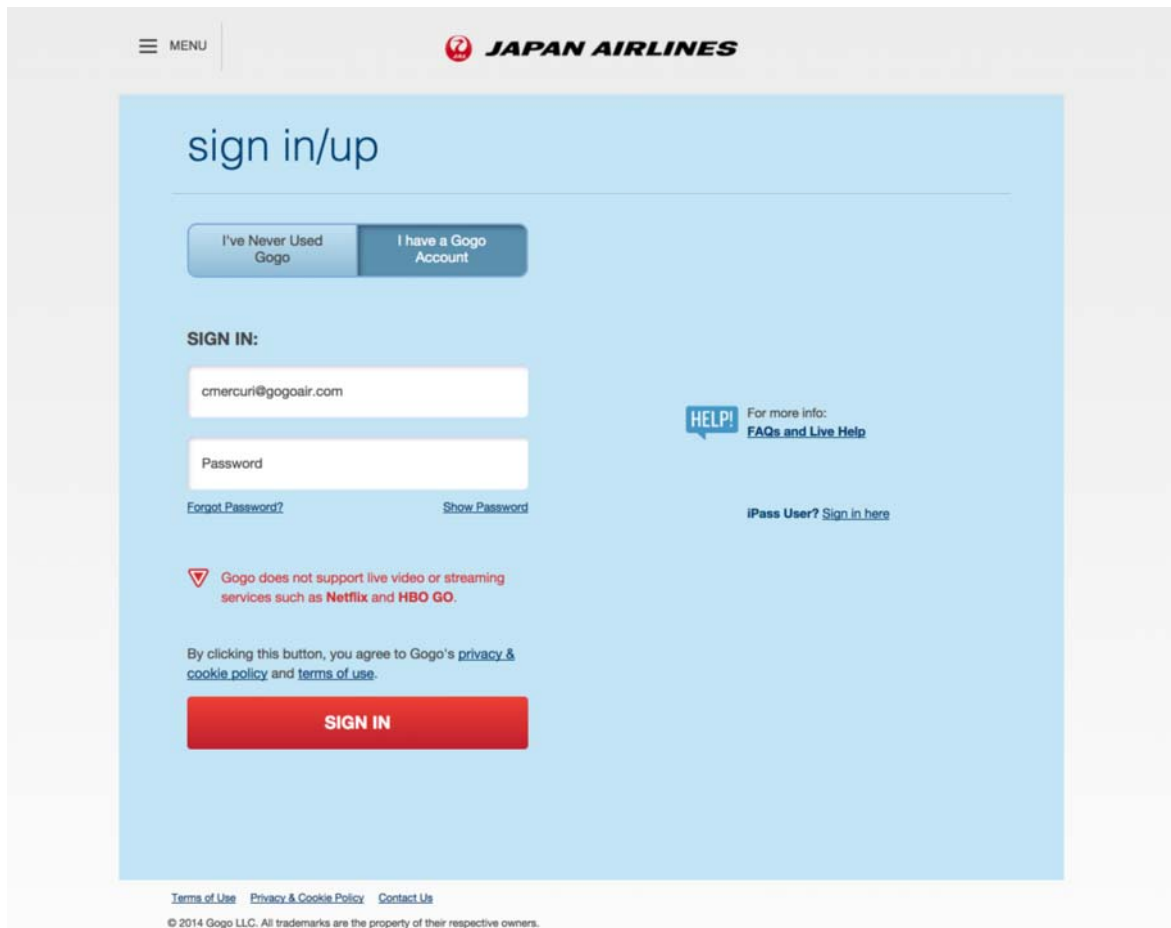

## ① Redeem a Wi-Fi Pass

After connecting to JAL SKY Wi-Fi, click “REDEEM” under “HAVE A JMB PASS?”

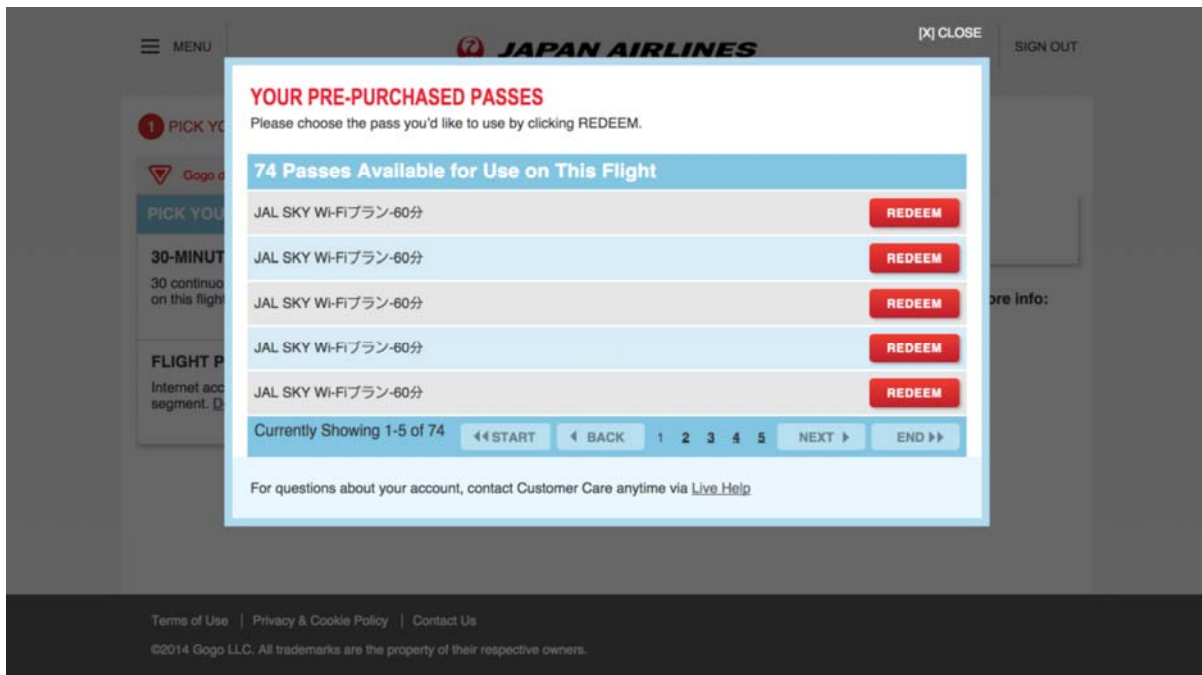

## ② Sign in to Gogo

Sign in with your Gogo account (not with your JMB account).

### ③ Choose a Pass

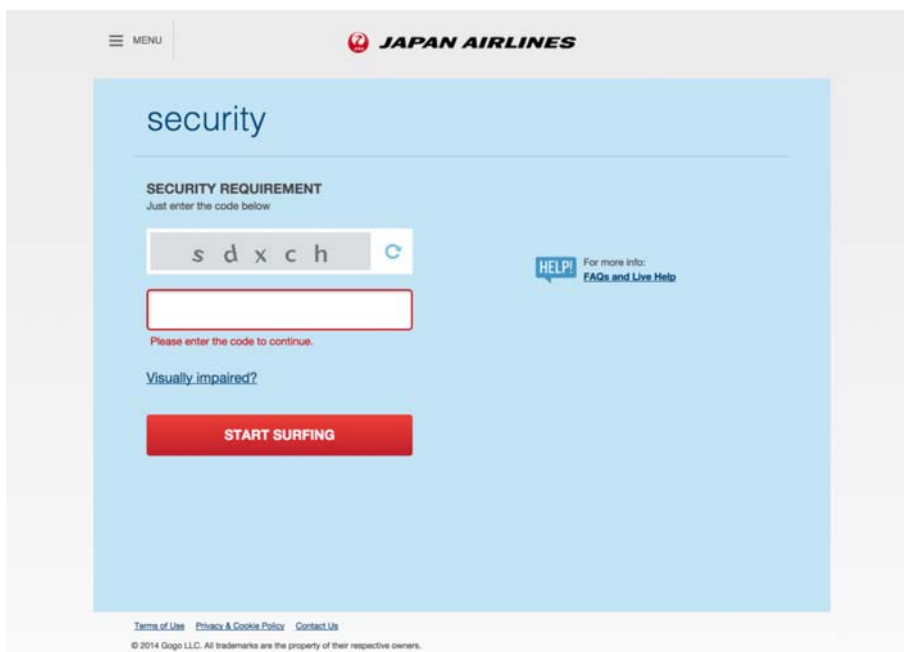

Choose the pass you'd like to use by clicking REDEEM.

### ④ Security requirement

Enter the code you see and click “START SURFING”.

For example, enter “sdxch” as pictured below.

⑤ Enjoy the internet in the sky!

SUCCESS! You're ready to get online, in air, with Gogo!
