## **JAL Covid-19 Cover Guide**

This cover is only available for trips that include a JAL flight ticket.

The JAL Covid-19 Cover starts on July 01, 2021 and will end on January 10, 2022.

If your first flight with JAL is after this date, you are not covered.

*This guide is not an insurance contract but summarizes the services provided for the benefit of all JAL passengers (eligible passengers).*

### **Summary**

- If you have tested positive for COVID-19 while you are abroad, you can benefit from repatriation assistance if medically necessary, cover for medical and hospital costs and costs of body transportation in the event of death as a result of COVID-19. Any expenses not directly caused by COVID-19 are not covered. More information about which expenses are included and excluded and about their limits is in the text below. Please read this guide carefully to make sure you understand the cover being provided.
- If you are required to Quarantine while you are abroad because you have tested positive for COVID-19, or because you are suspected of having COVID-19, you can benefit from cover for your Quarantine accommodation costs in an approved designated facility,
- Cover is valid up to 31 days starting from the day of the first JAL flight of your trip. If you test positive for COVID-19 at any time during the 31 days period, your assistance will continue until you are recovered or able to continue your trip (or repatriated if medically necessary).
- No assistance or cover is provided in your Country of Residence.
- Your COVID-19 testing expenses are not covered unless medically necessary to treat as a result of previous COVID-19 positive diagnosis.
- Your assistance will be provided by our partner AWP Japan Co., Ltd. (member of Allianz Partners), trading as **Allianz Travel**. These assistance services are referred to as '**JAL Covid-19 Assistance**'.

- It is mandatory to contact the **JAL Covid-19 Assistance** (as per contact details provided below) as soon as possible in case you tested positive for COVID-19. They will confirm your eligibility and which assistance services and/or expenses will be available for you.
- Your expenses will only be settled by **JAL Covid-19 Assistance** directly with the medical facility, quarantine or transportation providers. If you pay for these services, you will not be able to claim these expenses later. Services which have not been organized by JAL Covid-19 Assistance will not be reimbursed or paid. More information is included in section “How to request Assistance” below.

### **JAL Covid-19 Assistance contact details**

Phone: Toll free number for Japan - 0120-429-256

(International toll free numbers for main countries are provided in the Appendix)

### **Benefits and Limits Table**

<b>Benefits for the Eligible Passengers</b>	<b>Description</b>	<b>Limits*</b>
Repatriation Assistance: If diagnosed with COVID-19	If medically necessary, we organize and pay for the Eligible Passenger's return to the Country of Residence (home or hospital in the Home Country)	Up to the limit of €1,500 per Eligible Passenger
Medical and hospital costs abroad: If diagnosed with COVID-19	We pay hospital costs related to treatment of COVID-19	Up to the limit of €150,000 per Eligible Passenger
Accommodation costs related to COVID-19 Quarantine: If diagnosed with COVID-19 or if suspected of having COVID-19	If the Eligible Passenger is requested to Quarantine in an approved facility, we pay for the costs for the Eligible Passenger's Accommodation and that of one Travel Companion	Up to the limit of €100 per day and per Eligible Passenger, for a maximum of 14 days
Assistance in the event of death: In case of death as a result COVID-19 diagnosis	We organize and pay the transportation of the body to Home Country	Up to the limit of €1,500 per Eligible Passenger

\*These are the maximum amounts covered; costs above these limits are not covered and must be paid by the Eligible Passenger to the respective facility that provided the service.

**More information on this assistance and applicable exclusions are provided below.**

### **Who is covered? (Eligible Passenger)**

JAL Passengers who fly an international flight between the 1<sup>st</sup> of July 2021 and the 10<sup>th</sup> of January 2022.

### **Covered Period**

You are covered during a period of 31 calendar days starting from the date of your first JAL flight (if the flight takes place no later than the 10<sup>th</sup> of January 2022).

### **Geographical Coverage**

Assistance will be provided in the country or countries visited during the Trip within the Covered Period. Assistance will also be provided even if you continue travelling onwards to another city using another mode of transportation. No assistance or cover is provided in your Country of Residence.

### **Assistance Services**

When you call on us for JAL Covid-19 Assistance, decisions regarding the nature, the appropriateness, and the way in which the measures to be taken are organized are the exclusive responsibility of the JAL Covid-19 Assistance services.

### **Repatriation Assistance**

If you have been diagnosed positive for COVID-19 outside your Country of Residence, and your state of health requires medical repatriation, as advised by a Doctor as 'medically necessary', the following assistance will be provided:

- organizing and paying transportation costs of your return Home as soon as your state of health permits, or to a hospital which is closest to your home and is the most suitable to provide the care required by your state of health;
  - organizing and paying transportation costs of the return of a Travel Companion and minor children to enable the Travel Companion to accompany you during the repatriation, and/or accompany the minor children who were travelling with you to return home if no other adult member of the family is present at the trip location, and if the repatriation takes place more than 24 hours before their originally planned return date,
- up to the amount limits stated in the Benefits and Limits Table, and as long as the services have been organized by JAL Covid-19 Assistance.

When we organize the cost of transport as part of our cover, this will be 1st class train and/or economy class flights, depending on the decision taken by JAL Covid-19 Assistance.

### **Important note**

Decision on medically necessary repatriation:

- Decisions are only taken in consideration of the Eligible Passenger's medical interests.
- If our medical advisers think it would be in your medical interests to bring you back to Home or to a medical facility in your Home country, we will organize this transportation.
- If needed, our medical advisers contact the local medical practitioners and, if required, your usual medical practitioner, in order to gather the information that will enable the most appropriate decisions in respect to your state of health to be taken.
- Your repatriation is decided on and managed by medical staff who hold qualifications that are legally recognized in the country in which they usually practice their professional activity.
- A local treating doctor must provide a certificate confirming that you are fit to travel. Without this, the airline can refuse to carry any sick or injured person. In the case of COVID-19, repatriation is also subject to the respective country's border rules at the time of the event.
- If you refuse to comply with the decisions taken by JAL Covid-19 Assistance, you discharge them of any liability in relation to the consequences of such an initiative and lose all rights to services and compensation from JAL Covid-19 Assistance.
- Moreover, under no circumstances will JALCovid-19 Assistance carry out the role of local emergency services organizations, nor can pay the cost of expenses thus incurred.

Repatriation is subject to the conditions defined in the section 'Scope of our Assistance Services'.

- **Medical and Hospital Cost Abroad**

If you are infected with COVID-19 outside your country of residence, JAL Covid-19 Assistance will coordinate the payment of the medical costs related to the recovery from

COVID-19 to the medical facilities, up to the amount limits stated in the Benefits and Limits Table, and as long as the services have been organized by JAL Covid-19 Assistance.

JAL Covid-19 Cover ceases on the day on which our medical service considers that it is possible for you to continue your journey (or to be repatriated if medically necessary).

- **Accommodation Costs Related to COVID-19 Quarantine**

If you are infected with COVID-19, or if you are suspected of having COVID-19 outside your Country of Residence, and you are required to Quarantine during your trip by order or other requirement of a government, public authority, or travel supplier, JAL Covid-19 Assistance will coordinate the payments due to the Quarantine facilities for your accommodation and that of one Travel Companion, up to the amount limits stated in the Benefits and Limits Table, and as long as the services have been organized by JAL Covid-19 Assistance.

Important note: JAL COVID-19 does not cover costs of Quarantine that applies generally or broadly to some or all of a population, vessel, or geographical area, or that applies based on where the person is traveling to, from, or through.

- **Assistance in the Event of an Eligible Passenger's Death**

In the event of your death resulting from COVID-19, JAL Covid-19 Assistance organizes and pays the cost of transporting your body to your Home Country, up to the amount limits stated in the Benefits and Limits Table, and as long as the services have been organized by JAL Covid-19 Assistance.

### **Limits applicable**

JAL Covid-19 Assistance will approve and handle payments for the covered benefits up to the limits (maximum amount payable) defined in the Benefits and Limits Table. Amounts above these limits are not covered and must be paid by you to the respective facility which provided the service.

### **General Exclusions**

The following exclusions apply:

The policy does not cover for any claim arising from, or consisting of, the following:

1. Any expenses not directly caused by COVID-19.
2. COVID-19 PCR testing (or other COVID-19 test) expenses, unless one of these 2 situations apply: a) in case the test is medically necessary to treat as a result of previous COVID-19 positive diagnosis; b) in case you have no previous positive

diagnosis but a test is requested by a doctor as medically necessary, and in case its result is positive. For clarity, costs of COVID-19 testing which is taken as a prerequisite to travel to other countries / to return to home country, as required by the respective countries' authorities, are not covered.

3. Any Quarantine that applies generally or broadly to some or all of a population, vessel, or geographical area, or that applies based on where the person is traveling to, from, or through.
4. You travelling against your home country's government advice or against local authority advice at the trip destination.
5. You not following any advice or recommendations made by the Foreign and Commonwealth Office, World Health Organization or any government or other official authority. This includes where certain vaccinations or other preventative measures are recommended.
6. Any assistance or cover in your Country of Residence.
7. Costs of changing transportation/hotel arrangements or unused trip expenses due the extension or interruption of the trip (even when these changes were a consequence of treatment or Quarantine due to COVID-19 infection).
8. Vaccination expenses.
9. The cost of thermal spa treatment, heliotherapy, slimming treatments, rejuvenation cures, all kinds of "comfort" or beauty treatments, and physiotherapist's costs.
10. The costs of implants, prostheses, artificial aids and optical costs.
11. The cost of treatment or care, the therapeutic nature of which is not recognized by legislation.
12. Civil or foreign wars, riots, popular movements, strikes, hostage taking, handling of weapon, terrorism.
13. Your voluntary participation in gambling, crime or fights, except in the case of legitimate self-defense.
14. Any effects of a nuclear origin or nuclear reaction or caused by any source of ionizing radiation.
15. Your deliberate acts (including but not limited to suicide and attempted suicide) and fraudulent acts.
16. Any epidemic or pandemic, except COVID-19 as expressly covered.
17. If the Services are not legally allowed or invalid in your Country of Residence.

18. Any economic sanction which prohibits us, the insurer or members of the Allianz Group from providing cover under this Policy.
19. You not wanting to travel.
20. Your property being held, taken, destroyed or damaged under the order of any government or customs officials.
21. Something that happened before travel tickets for the trip were bought and which could reasonably have been expected to be the reason for a claim.
22. Any part of a trip booked to take place after the JAL COVID-19 period of cover.

### **How to Request Assistance**

If you:

- a) have tested positive for COVID-19 during your trip; or
- b) if you are suspected of having COVID-19 and have been ordered to Quarantine,

you must contact JAL Covid-19 Assistance or get a third party to contact them as soon as possible if your situation is expected to involve early return or expenses that fall within the scope of cover.

JAL Covid-19 Assistance services are available 24/7 by telephoning the contact numbers provided in the Appendix.

To confirm your eligibility and which services you are covered for, JAL Covid-19 Assistance will ask you to provide the following documents:

- JAL flight ticket / E-ticket
- Boarding pass
- Copy of your Passport, including residency visa page, if applicable
- COVID-19 positive test result, which should be dated after the first day of travel OR, in case of need to Quarantine due to suspected COVID-19 infection, official documentation from the government, public or regulatory authority which has ordered you to Quarantine.

You will also be required to provide:

- Your current location
- e-mail address and contact number where you can be reached
- Details of those assisting you
- Consent for JAL Covid-19 Assistance to have access to all relevant medical

information.

### **Conditions**

In order to benefit from this cover, you must contact JAL Covid-19 Assistance to confirm your eligibility, which services you are covered for and how to proceed to benefit from them. Your expenses will only be settled by JAL Covid-19 Assistance directly with the medical facility, quarantine or transportation providers. If you pay for these services, you will not be able to claim these expenses later. Services which have not been organized by JAL Covid-19 Assistance will not be reimbursed or paid.

### **Scope of JAL Covid-19 Assistance Services**

JAL Covid-19 Assistance services are in compliance with national and international laws and regulations and are subject to obtaining the necessary approval from the competent administrative authorities, and taking into account potential travel restrictions and exceptional regulatory restrictions in force.

Moreover, JAL Covid-19 Assistance cannot be held liable for delays or hindrance to the performance of the agreed services as a result of a case of force majeure or events such as strikes, riots, popular movements, restrictions on free circulation, sabotage, terrorism, civil or foreign wars, the consequential effects of a radioactive source or any other exceptional circumstances.

### **Rights of JAL Covid-19 Assistance**

JAL Covid-19 Assistance has the right to:

- Decline any request or cover that a person made knowing it to be dishonest, intentionally exaggerated or fraudulent in any way, or if anyone gives any false declaration or deliberate misstatement when filing a claim.
- Take over and deal with any request made under this cover in your name.
- With permission from you, get information from your medical records to help the deal with your case. This could include a request for you to be medically examined, or a request to a family member for a post-mortem to be carried out in the event of death.
- Request that you return Home if the Doctor treating you and our medical advisers agree. If there is a dispute, we will ask for an independent medical opinion.
- Not accept liability for costs incurred for repatriation or treatment if you refuse to follow advice from the treating doctor and our medical advisers.

- Not to pay any costs for amounts covered by an insurance policy, for example any amounts you can get back from your health Insurance. If you use this cover, and the costs are then proved to be covered under an insurance policy, we shall reserve the right of subrogation.

### **Effect of Sanctions on Assistance**

You shall not be covered for any expenses if the claim cannot be processed by JAL Covid-19 Assistance because of sanction, prohibition or restriction under the United Nations resolutions or trade or economic sanctions, laws or regulations of the European Union, United Kingdom or United States of America. It is JAL Covid-19 Assistance's decision to not cover expenses if it believes paying those expenses may breach applicable sanctions, prohibitions, restrictions, laws or regulations.

### **Privacy Notice**

By contacting the JAL Covid-19 Assistance to receive these services, you acknowledge and agree that certain personal data, including sensitive personal data, needs to be processed by JAL Covid-19 Assistance to organize the services and arrange payment for those expenses. This may include your name, passport details, results of COVID-19 testing and other medical information. JAL will be the data Controller. Data will be processed by our JAL Covid-19 Assistance partner, AWP Japan Co., Ltd. located in Japan, and other units of the Allianz Partners group.

### **Definition of Terms**

<b>ACCOMMODATION COSTS</b>	Hotel room or quarantine facility room costs, following a covered event, excluding all costs for meals, drinks or other personal expenses at the facility.
<b>COUNTRY OF RESIDENCE</b> <b>or HOME COUNTRY</b>	The country in which Eligible Passenger has permanent residence at the time of the event, or a country where the Eligible Passenger has spent more than 180 days within the last 365 days.
<b>COVERED PERIOD</b>	The duration for which the Eligible Passenger is covered which is 31 calendar days, starting from the trip commencement date, i.e. the date of the first flown segment on a JAL flight, as long as the trip commenced within the JAL COVID-19 Period of Cover. No assistance or cover is provided in your Country of Residence, so if you return Home within the 31 days period, your cover will end on the day that you return Home.

<b>ELIGIBLE PASSENGER</b>	Fare-paying Passengers who fly on an international flight of JAL, commencing within Period of Cover.
<b>COVID-19</b>	Coronavirus Disease (COVID-19) as recognized by the World Health Organization.
<b>DOCTOR</b>	A legally qualified doctor holding the necessary certification in the country in which they are currently practicing, other than the Eligible Passenger or a relative of theirs. Coronavirus disease 2019 (COVID-19) as recognized by the World Health Organization.
<b>EPIDEMIC</b>	A contagious disease recognized or referred to as an epidemic by a representative of the World Health Organization (WHO) or an official government authority.
<b>ABROAD</b>	Any country except for the country where the Eligible Passenger is a resident at the time of the event.
<b>HOME</b>	The usual place of residence of the Eligible Passenger.
<b>MEDICAL COSTS</b>	Medically prescribed pharmaceutical, surgical, practitioner's and hospital costs required for the diagnosis and treatment related to COVID-19 including any deterioration to Eligible Passenger's health as diagnosed by a competent medical authority. Medical costs also include cover for COVID-19 testing when a doctor has requested the test because it is medically necessary and a COVID-19 positive diagnosis is the result, or, where the testing is required to treat a previous COVID-19 positive diagnosis.
<b>PANDEMIC</b>	An epidemic that is recognized or referred to as a pandemic by a representative of the World Health Organization (WHO) or an official government authority.
<b>JAL COVID-19 PERIOD OF COVER</b>	Between July1 <sup>st</sup> , 2021 and January 10th, 2022
<b>QUARANTINE</b>	Mandatory individual, involuntary confinement by order or other official directive of a government, public or regulatory authority, which is intended to stop the spread of a contagious disease to which you or a traveling companion have been exposed, or which you are suspected of being exposed to.
<b>TRAVEL COMPANION</b>	A person travelling with the Eligible Passenger's on the same Trip, that is, who is part of the same booking or has joined the Eligible Passenger at the Trip location and is sharing the same accommodation (outside of their country of residence).

<b>TRIP</b>	A trip using an air ticket issued by the JAL, commencing within the Covered Period, which begins when the Eligible Passenger leaves the airport of their Country of Residence and ends when the Eligible Passenger gets back to the airport at their Country of Residence or at the end of the 31 days whichever occurs first.
